

ONE, TWO, THREE

Fatima from Pakistan played this game at a Play Day where boys and girls come together. Now she's playing it at home with her brothers.

SET UP

Number of players: 2 or more
Age: Suitable for all ages
You need: Nothing

GOALS

Concentrate, be creative and have fun.

HOW TO PLAY

1) Face a partner. Player A counts "one", Player B counts "two", player A counts "three", Player B counts "one" and so on. Repeat several times always following the sequence one, two, three and get faster if you can.

2) Then replace "one" with a gesture and sound (e.g. a waving hand and a whooping sound)

3) After several rounds replace "two" also with a different gesture and sound and later on "three" as well.

TALK

What did you find easy and difficult in this game?

Why is it important to be creative in life?
