When you leave a Legacy of Play gift to Right To Play, your gift is expendable and supports the highest priority needs of the organization. This means that when your legacy gift is realized, it will go to work almost immediately to help create lasting impact for the children who need it most.

Making Changes to a Will by means of a codicil

A codicil is a legal document that is used to make modifications to an already existing Will without the expense of having a new Will drawn up. A codicil is an amending document, if your changes are major, you should seek professional advice to determine whether you should have a new Will drawn up. Codicil documents have the same signing requirements as a Will: two adult witnesses who cannot be beneficiaries listed in your Will.
